

Sculpt Comfort Desktop

Contoured for comfort

Detachable palm rest

Split spacebar with backspace functionality¹

Contoured for Comfort

The Sculpt Comfort Desktop is both comfortable and customizable. The contoured design promotes a natural, relaxed wrist posture, while also putting keys within easy reach. The keyboard also includes cushioned palm rest that helps support and straighten the wrist. However, the palm rest can easily be removed when you're tight on space, or simply want a sleeker, more compact look.

Sculpt Comfort Desktop
