Microsoft Surface USB-C® Travel Hub

All the connections, wherever you are

Have the ports you need, wherever you go, with new Microsoft Surface USB-C® Travel Hub. This multi-port adapter is designed for on-the-go professionals, giving you five ways to connect to networks, displays, and more, including USB-C®.

New Microsoft Surface USB-C® Travel Hub

FEATURES:

- Multi-port travel adapter with five ports to keep you connected and productive anywhere
- High-speed data transfer and pass-through charging for accessories with one USB-A (3.1 Gen 2) port and one USB-C® (3.2 Gen 2) port
- Plug in to the HDMI 2.0 port for video resolution up to 4K with 60Hz refresh rate, better than most other portable, compact hubs¹⁵
- Or project on a big screen with the VGA port¹⁵
- Gigabit ethernet connectivity for faster internet speeds while you work in the office, from your hotel room, or at home with your laptop or other device
- Compatible with Surface laptops and any Windows PC you use today with a USB-C® port running Windows 7, Windows 8, and Windows 10¹⁶
- Works with many Android tablets and phones
- Plug in to your Apple laptop running Mac OS
- Supports compatible accessory charging (Does not support laptop charging)
- Comes with a 200mm cable
