

SORCERER MINI SPELL IT

SORCERER GAMING KEYBOARD

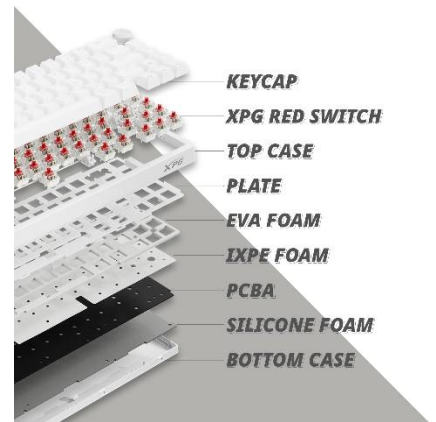

XPG SORCERER MINI Gaming Keyboard features a space-saving 65% form factor. Its compact yet fully functional design maximizes desk space without sacrificing essential functionality, offering a seamless typing experience while keeping all necessary keys within reach. Engineered with a gasket mount design, three-layered dampening foam, and hot-swappable key switches, it delivers an unparalleled typing experience. Incorporating XPG Red Switch and featuring a smooth POM stem, SORCERER MINI ensures exceptionally smooth keystrokes. Additionally, its per-key RGB lighting, managed by the intuitive XPG PRIME software, empowers users with limitless customization possibilities.
