

STARKER AIR BTF MID-TOWER CHASSIS

STYLE. AIRFLOW. PERFORMANCE.

STARKER AIR BTF Mid-Tower PC Chassis

XPG STARKER AIR BTF is the ultimate ATX PC case, crafted for xtreme gamers seeking top-tier performance and design. It supports both standard E-ATX motherboards and ATX reverse-connector motherboards, offering versatility for various build configurations. With room for 360mm radiators and up to 12x 120mm fans, it ensures superior airflow and ventilation, keeping high-end components cool during intense gaming sessions. This PC case is built for those who demand both exceptional functionality and bold, cutting-edge design in their setups.
