

VALOR AIR PRO

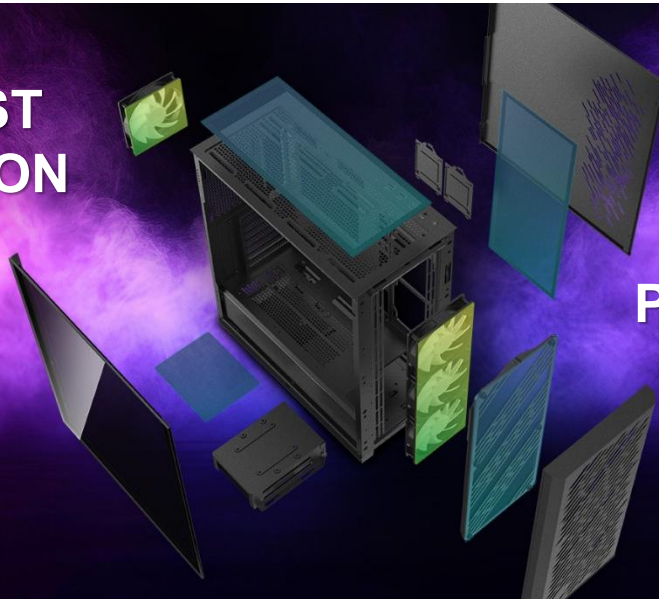

Pro-Level Build Starts Here.

VALOR AIR PRO

Designed to empower first-time builders and seasoned upgraders alike, VALOR AIR PRO is the flagship of the VALOR AIR series — delivering essential features without compromise. With support for E-ATX motherboards, GPUs up to 400mm, 360mm radiator installation, and up to 9 fan mounts, it's built for big ideas in a clean, accessible layout. From bold slash-style airflow design to quick-access front panel, VALOR AIR PRO makes your next build smoother, smarter, and more capable from the very first step.
