

2TB\*

## SanDisk Extreme PRO® Portable SSD

Powerful SSD performance designed for your toughest jobs

### Highlights

- Up to 2000MB/s\*\* read and 2000MB/s\*\* write speeds
- Nearly 2X as fast as our previous generation
- Powerful solid state performance in a rugged, portable drive
- Drop protection and IP55 water and dust resistance<sup>3</sup>
- Keep private content private with the included hardware encryption<sup>2</sup>
- Compatibility with a range of USB Type-C™ smart phones
- A handy carabiner loop for securing your drive
- 5-year limited warranty<sup>1</sup>
- From SanDisk®, the brand trusted by professional photographers worldwide.

Creating top-tier content can put a strain on your device, your camera or your system. To capture and keep your best work, you need fast, high-capacity storage that's reliable enough to help you consistently overdeliver on your toughest jobs. The SanDisk Extreme PRO® Portable SSD is housed in a forged aluminum chassis that also acts as a heatsink, saving you time through higher sustained speeds—up to 2000MB/s\*\* read and 2000MB/s\*\* write. A durable silicon shell, up to two-meter drop protection<sup>3</sup>, IP55 water and dust resistance<sup>3</sup>, and a handy carabiner loop for securing the drive give you the peace of mind to take it with you wherever your job—or life—takes you. From the brand trusted by professional photographers worldwide, the SanDisk Extreme PRO Portable SSD provides solid state performance in a rugged, dependable storage solution.
