

# Patriot BIT+ USB 3.2 Gen. 1 Flash Drives- 16GB

Patriot's Bit+ USB flash drive offers a high-speed USB 3.2 Gen 1 interface for an easy connection and speedy data transfer on any PC or laptop. Bit+ is configured for favorable quality and solid reliability when storing personal documents, important data, your favorite movies, the latest games, and more! Encased in a streamlined all black housing with a super lightweight of 1.7 grams makes the Bit+ the perfect user-friendly plug and play flash solution. Featuring a compact, capless design, the Bit+ stays protected while you're on the go. A small, portable design allows the USB to fit into your pocket, backpack, or purse. Bring your files with you wherever you travel.

Created with compatibility in mind, Bit+ syncs smoothly across the latest operating systems. Simply plug the flash drive in and immediately access a bit more storage. Instantly access Patriot's Bit+ with capacities to fit all your digital storage needs. Drag and drop to transfer all your information and work faster than ever, keeping productivity consistent. Reinforced with our 2-year warranty, the Bit+ makes the perfect drive for any user.
