

# Patriot PUSH+ USB 3.2 Gen. 1 Flash Drives- 128GB

The Patriot Push+ USB is a fabulous addition to those looking for an entry level USB 3.2, Gen 1 flash drive for stylish, on-the-go, portability. The Push+ USB is an ideal durable solution for quick data transfer to any PC or laptop including a plug-n-play function. USB 3.2 Gen 1 is 10x faster than USB 2.0 to ensure daily tasks and productivity goes smoothly throughout the work day. Patriot's Push+ is created for consistent quality and solid reliability when storing all your personal data, favorite movies, latest games, and more!

It's time to say goodbye to losing USB caps! Designed with a sleek black housing, the Patriot Push+ can easily be retracted as it features a capless design. Backed by Patriot's award-winning customer service, the Push+ comes with a 2-year warranty. The Patriot Push+ is designed to be compatible with current Mac and Windows operating systems.
