

Patriot iLuxe Stick C 256GB USB 3.2 GEN 1 Type C + Lightning

The Patriot iLuxe Stick is here for all people living on-the-go! Never worry about running out of storage when filming important moments, as now videos can be directly transferred on to the iLuxe Stick while recording on your iPhone or iPad. Thanks to its sleek design, all existing videos, photos, and contacts can be backed up no matter where you go. It's an easy way to expand your iPhone or iPads storage capacity while staying budget-friendly!

Whether you're a content creator backing up their next big video, or a parent saving precious filmed memories, the iLuxe Stick guarantees 100% quality when rewatching by restoring the videos with the original backup date, time, location tag and file format without any differences. To ensure you are getting the maximum amount of use out of this device, the iLuxe Stick will only back up images and content not already loaded on to it. The iLuxe Stick is designed to keep its data secure with H2+ industrial-grade embedded memory, as well as the use of trust circle technology, keeping all data stored and safe. Backed by a 3-year warranty, this device is sure to stay with you while navigating a busy lifestyle. The Patriot iLuxe Stick is Apple MFi Certified and compatible with iOS12 or above, Mac10x or above, and Window XP or above.
