

ADATA UV310 USB Flash Drive

We make the UV310 in a durable one-piece zinc alloy design for a combination of looks and toughness. It's also cap-free for less mess, super light, featuring a neat mount for straps, and most importantly covered in an elegant texture on all sides. Available in diverse capacities: 16GB, 32GB and 64GB.

Protection from water, dust, and shock

- High durability: resistant to water, dust, and impact
- Highly compact form factor
- Ensures utmost reliability for great data protection

Metallic one-piece, capless design

- A sandblasted metallic surface and sleek edges
- Solid zinc-alloy housing
- Compact and light: 4.7g weight

An easy-go design with strap mount

For added safety and personalization, the UV310 has a very prominent strap mount/ring for attaching it to your lanyard or keychain of choice.

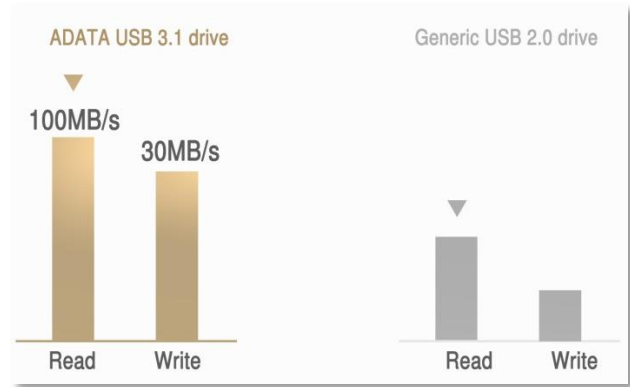

Near universal compatibility

Supports PCs, tablets, smart TVs, in-car systems, game consoles, home entertainment systems, and more

High speed USB 3.1 interface

Delivers data in up to 5Gbps for convenience and efficiency by simple plug n play

Features

- Stylish: sandblasted metallic finish and sleek edges
- Capless design facilitates simpler usage
- Advanced COB (Chip-On-Board) process for improved durability – highly resistant to water, dust, and impact
- Includes a large strap mount for great portability
- Simple driver-less plug n play
