

UV350 USB Flash Drive

# THE STYLISH WAY TO STORE

## UV350 USB Flash Drive

The UV350 flash drive has a clean, capless design that does away with annoying caps. A hanging hole at the end makes for easy attaching to keychains and lanyards for excellent portability. The drive comes with capacities ranging from 16GB to 64GB and USB 3.1 for hassle-free storage of all your music, videos, and photos.

### Sleek, Elegant, Simple

The glossy surface finish of the UV350 is stylish and elegant, and along with a tail-shaped hanging hole, it presents a refined and understated design that's ideal for the busy business professional.

### Fast Transmissions with USB 3.1

Featuring USB 3.1 the UV350 sports transmission speeds of up to 5Gb per second, plug and play capability, and is backward compatible with USB 2.0 devices.

## No Limits to Your Creativity

Don't hesitate to capture 4K videos and lots of hi-res photos! With up to 64GB of storage space, there's enough space for all of your creativity.

## Easy-to-Carry

A hanging hole at the end of the devices lets you easily fasten it to just about anything for easy carrying.
