

SW-G2.1 1250

4-Piece Gaming Speakers

Genius brings you amazing bass enjoyment for music and gaming enthusiasts with this new speaker system, SW-G2.1 1250. Its subwoofer uses an advanced 5.25" drive unit in an ultra-rigid MDF board cabinet, so you can be encompassed by solid, deep and extended bass. The curvaceous satellite speakers with magnetically-shielded 3" cones deliver full midrange and well-balanced detailed sound. The individual control box makes it easier to adjust the volume and bass. There is also microphone jack on the control box for chatting with on-line game partners. SW-G2.1 1250 has a 3.5mm standard input for PC game and MP3/CD player users, and a 2RCA jack for game consoles, DVD players and TV listeners. It also has a headphone jack for private listening. So don't hesitate anymore, experience the 38-watt dynamic booming sound of the SW-G2.1 1250. For more information, contact your local sales representative.
