

Logitech®

TrackMan® Marble®

Superior comfort for either hand

- **Ambidextrous trackball design**
- **Convenient button controls**
- **Fingertip-based control**
- **Patented Marble® optical technology**

The Logitech® TrackMan® Marble® gives you superior comfort – for either hand. Ambidextrous design provides long-lasting comfort for right- and left-handed people. Convenient button controls let you easily move forward and backward when you're surfing the Web. Click the large buttons together and use the ball for auto-scrolling. Fingertip-based control enables fast, accurate cursor movements. Patented Marble® optical technology ensures smooth tracking.
