

**Product name: ENDORFY Zephyr 92**

**Product code: EY4A018**

The Zephyr 92 fan is a classic design built primarily for use in PCs. Its compact size makes it a perfect fit for smaller cases. It offers solid construction and hassle-free installation, making it a reliable addition to your setup.

### **Increased RPM**

Running at 1900 RPM ( $\pm 10\%$ ), the Zephyr 92 spins faster than many comparable 120 mm and 140 mm fans. This boost in speed translates to better airflow and cooling performance, helping to keep your PC components at lower temperatures. The overall result? A more stable and efficient system.

### **Premium-grade bearing**

The advanced FDB bearing keeps friction to a minimum and cuts down on noise, while also reducing heat buildup within the fan. Thanks to its sealed design, high-quality materials, and an impressive MTBF of up to 80,000 hours, the fan offers smooth, long-term operation – built for reliability and longevity.

### **Classic design**

The fan's all-black color scheme – cable included – and timeless design make it a seamless match for a wide variety of PC builds.

### **Easy installation**

The built-in 600 mm cable with a 3-pin connector makes plugging in the fan quick and straightforward. It also comes with a full set of four mounting screws, so you're ready to go right out of the box.

### **Quality you can count on**

This fan is built to last. Premium materials and precision craftsmanship ensure reliable performance for years to come – and the 3-year warranty backs that up with confidence.

### **ENDORFY Zephyr 92 – main features:**

- Versatile and cost effective
- Long-life FDB bearing
- Minimalist design
- Effortless installation

### **ENDORFY Zephyr 92 – technical specifications:**

- Product code: EY4A018
- EAN: 5903018667232
- Product type: PC fan
- Fan dimensions: 92×92×25 mm
- Fan bearing: FDB
- Fan speed: 1900 ( $\pm 10\%$ ) RPM
- Control (speed): DC
- Connector (fan): 3-pin (female)
- Voltage (fan): 12 V
- Current (fan, peak): 0.22 A
- Cable length: 600 mm

- MTBF: 80 000 h
- Warranty: 36 months

**ENDORFY Zephyr 92 – logistics data:**

- Retail box dimensions: 120×28×96 mm
- Weight (net): 87 g
- Weight (gross): 108 g
- Master carton dimensions: 495×363×220 mm
- Master carton weight (gross): 11.30 kg
- Product quantity in master carton: 96 pcs

**Set includes:**

- 1× ENDORFY Zephyr 92 fan
- 1× Set of mounting screws
- 1× User manual
