Star of the green screen

Travel the world (and the universe too) with the Maku's 56-inch foldable green screen. Simply affix to the back of your chair via the attached velcro straps and you can choose any background you like.

Give it a tri

You bring your phone, we'll bring everything else. The Maku already comes with its own tripod and ball head, so all you need to do is place your phone in the universal phone clamp, click 'record', and you're rolling!

Dim the lights, not your sparkle

We know you look great in any light, but the Maku gives you the extra option to adjust the light to cold, neutral or warm; as well as having a 10-step dimmer to suit the mood of your video.

Join the stream team

There's nothing holding you back – with a simple USB connection, the Maku is compatible with any phone charger or powerbank so your journey to internet fame can start in no time at all.
