

CV0172 Car Charger

COMPACT COMPANION FOR THE ROAD

CV0172 Car Charger

The ADATA CV0172 car charger has a compact 6mm form factor and two USB ports capable of delivering 2.4A current for speedy device charging without taking up too much space.

Compact and Stylish

The CV0172's small form factor allows it to blend in nicely with the interior of your car, while its glossy black surface gives it a touch of elegance.

Dual USB Ports

Charge or power two devices at the same time with dual USB ports that deliver 2.4A current.

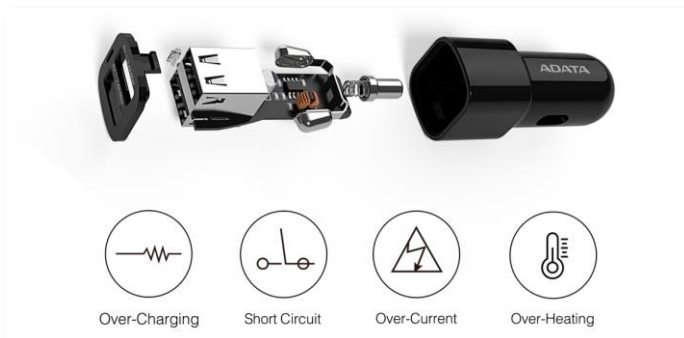

Smart IC Chip for Peace of Mind

The CV0172 is built with a smart IC chip that detects your devices and adjusts power output accordingly to prevent overheating or power loss

Multilevel Protection

With complete protection mechanisms that prevent short-circuiting, overcharging, overheating and more, you can rest assured that all is safe.

Features

- Ultra-compact & space-saving
- Total outputting up to 17W
- Dual USB fast charging ports
- Multiple circuit protection(OCP, OTP, SCP, OCP)
