## Key features:

The Nokia T20 tablet brings the classic quality people expect from a Nokia phone to the big screen and helps you find better work-life balance. The crystal clear 2K screen lets you see work presentations and movie marathons in stunning detail, and enhanced speakers and dual microphones help you hear and be heard better. Take part in up to 7h of conference calls, enjoy your favourite show, or work and play throughout the day with its long-lasting battery<sup>1</sup>. Plus, two-years of OS upgrades and three-years of monthly security updates<sup>2</sup> in a well-built design means you'll be enjoying it all for years to come.

### Delight in every sight.

See every detail of your work, shows, or video calls on the 2K 10.4" display.

### Do what you love for longer.

Power through your day with an 8200mAh battery and fast charging<sup>3</sup>.

### Keep up to date, keep safe.

Stay sharp with two-years of OS upgrades and safe with three-years of timely security updates.

### Immersed in sound? Love it.

Catch every word at home or on the go with stereo speakers with OZO Playback Panorama.

### Make yourself heard.

Make sure you're heard with two in-built microphones.

### Introducing Google Kids Space.

Google Kids Space is designed to nurture your kid's curiosity and creativity, inspiring them to explore their interests through recommended apps, books, and videos. Google Kids Space is designed for kids and works with your child's Google Account that parents can help manage with Family Link parental controls<sup>4</sup>.

### Conquer any battlefield.

Whether you're playing games or multitasking across apps, the Nokia T20 has an octa-core chipset, ensuring a fast and reliable user experience.

### Quality you can trust.

Designed, built and tested with the same passion as all Nokia phones, Nokia T20 brings that trusted quality to the big screen, so you have one less thing to worry about.
