

ESSENTIAL M3021 Monitor Arm

Essential Monitor Arm M3021 - Strong and smooth in motion
The Essential M3021 combines power with ease of use. This sturdy gas spring monitor arm is designed for one screen from 17 to 49 inches and attaches to a desk. By mounting the arm on a pole, additional height can be easily achieved. Adjust the arm to your ideal working height with one simple movement. The adjustable gas spring keeps your screen stable, while the tilt function provides a natural viewing angle. The M3021 supports monitors up to 20 kg and is VESA 75 x 75 mm and 100 x 100 mm compatible. The 90° rotation function allows you to switch easily from landscape to portrait screen format. Reliable, flexible and ergonomic - perfect for dynamic workstations.

ESSENTIAL M3021 Monitor Arm
