Inspiron brand

Inspiron desktops and all-in-ones are easy to use, easy to own, and keep you connected to everything that matter to you. They are designed to deliver exceptional value for today's consumers looking to get more out of life.

Easy – Regardless of price, consumers want a product that is easy to set up and ready to use once it is out of the box. They want to create and share content between devices regardless of operating system or form factor with ease. Dell products are designed to make that happen with the latest technology, a range of hard drive storage and memory options, sharp high resolution displays that can be viewed at any angle, firm keyboards that are easy to type on for hours and a complete audio solution that includes headphones, external speakers, and unique software options.

Purposeful Innovation – Dell strives to help its customers interact with what matters most to them. Innovative technologies help people to get more out of life, and should meet the needs of today and tomorrow. Lags, delays and buffering become a thing of the past. The latest processors and graphics zip through video edits. Brilliant displays provide crisp, honest representation of your content. Specially tuned audio provides immersive sound. Wireless connects quickly and stays connected. Purposeful innovation makes all of this more fun, especially when it's so seamless.

Inspiron 22 3000 All-in-One Desktop

Feature overview

It's the whole package

The brand new Inspiron 22 3000 AIO desktop is equipped with everything you need in one complete package - featuring a 22" monitor, a PC with latest AMD & Intel processors, built-in stereo speakers and webcam all in one slim panel, plus a keyboard and mouse so you can start doing everything you want - from work to play - right away.

Get the responsive performance you expected from the latest Intel® processor (up to 7th Gen) or AMD APU (up to A8), plus up to 16GB DDR4 memory support. For an extra boost on system performance and enhanced visuals, the Inspiron 22 offers an optional AMD Radeon® or nVIDIA GeForce graphics card with 2GB of discrete memory.

You can watch movies, edit photos and entertain the whole family on this stunning 22" IPS display with 1080p FHD resolution. It's available in an Anti-glare display that reduces reflection or TrueLife display with edge-to-edge touch screen for a smooth, interactive multi-touch experience.

The Inspiron 22 has four USB ports including two 3.0 ports on the side, a 4-in-1 multi-media card reader, and HDMI ports. The slim panel houses a 1TB hard disk drive providing plenty of storage for everything that matters, or and you can archive your files with an optional optical drive.

Connecting with family and friends has never been easier with the built-in HD webcam. And with the built-in faster and longer-range 802.11ac WiFi, you can share and download music or movies with less buffering and drops compared to older designs.

And with the VESA mount option, you can enjoy everything this all-in-one desktop has to offer without cluttering up your desk and countertop space.

The Inspiron 22 is Windows 10 ready, so you can get the best Windows 10 experience right out of the box. Some of the innovative features include:

Cortana - your own personal assistant. Using Cortana with Inspiron 22 AIO equipped with Waves MaxxAudio® Pro gives you a natural voice interaction experience while helping you get things done throughout the day.

You are safeguarded against viruses, phishing and malware with convenient, built-in Multi-task like a master with the ability to snap four apps on the 22" screen at once so you can better see and organize your tasks for faster completion.

Last but not least, your Windows 7 Start menu is here in an expanded form so you'll feel like an expert from the get-go.

Product appearance may vary slightly from image shown.
Optional accessories shown subject to regional availability..

Inspiron software

Office 2016

Fully loaded with the latest and greatest versions of favorite applications: Word, Excel, PowerPoint, and OneNote.

McAfee

Award-winning security for every device; shields PCs from viruses and online threats like risky websites and dangerous downloads, shreds digital files like e-bills and online bank statements saved on PCs.

Adobe

Converts PDFs to Word, Excel or PowerPoint formats while preserving fonts, formatting, and layouts; access and share recently viewed PDFs from computers or mobile devices.

SupportAssist

A MS Windows based software program that automates support from Dell by identifying HW & SW issues on Dell laptops, desktops and tablets. SupportAssist notifies customers when an issue is detected.

Dropbox

Online file storage and sharing service that allows access to photos, docs and other files from any computer or phone from anywhere. Dropbox lets you edit docs, share photos, and show off videos from anywhere. Even if something happens to your PC, your stuff is always safe in Dropbox. Get 20GB of Dropbox space included for a year with your purchase of a new Inspiron.

Windows Hello

A more personal way to sign in to Windows 10 devices though facial recognition or fingerprint.

Inspiron accessories (Upsell options)

You can maximize the versatility and performance of your Inspiron 22 3000 AIO with Dell recommended accessories to keep you entertained and connected in any room

Home Entertainment and Productivity Center

Dell 2.1 Speaker System - AE415

Enjoy crisp, room-filling sound and a powerful subwoofer with enhanced bass, volume controls and a headphone jack in a stylish, contemporary design.

Dell Portable Backup Hard Drive - 1TB

Easily backup, store, and transfer photos, videos, music and more with this portable hard drive. Automatic backup software comes preinstalled.

Dell Wireless Mouse – WM326

Reduce cable clutter with a comfortable, wireless laser mouse with up to 18 months of battery life.

Dell Wireless Keyboard & Mouse Combo - KM714

Use the included wired keyboard and mouse or upgrade to this wireless keyboard and mouse combo with Scissor Chiclet keys, Windows gesture controls and LED tracking.

Services for Inspiron

Dell has services to help with technology needs throughout the life of your Inspiron. Our mission is to be the technology services provider you trust to keep you connected and productive so you can focus on doing more.

Basic Limited Hardware Warranty Plus Mail-In Service after Remote Diagnosis

Dell's 1 Year Limited Hardware Warranty with Mail-In service after remote diagnosis¹ – If your system encounters an issue covered by Dell's Limited Hardware Warranty² and that issue cannot be resolved remotely, this service offers a Mail-In Repair Service (customer provides box and Dell pays shipping) for defects in materials and workmanship in your PC. You can also upgrade or extend your warranty and support coverage with Dell Premium Support. With Premium Support you get 24x7 access to dedicated Dell tech support experts and up to 86% less time on the phone than Limited Hardware Warranty.³

Dell Premium Support

Tech support can be frustrating with long phone menus, hold times and being transferred again and again. Now, Dell Premium Support, eliminates the hassle with SupportAssist technology by automatically detecting hardware and software issues and proactively alerting you with system alerts and by email when they occur. Our expert technicians even call you with all the information they need to quickly resolve critical issues. You also get 24x7 phone access to experts and onsite support after remote diagnosis⁴.

Accidental Damage Service⁴

Accidents happen – Dell can help. Minimize the unplanned expenses and downtime by protecting you against unforeseen mishaps caused by drops, spills, surges and breaks. No matter how careful you are, accidents can happen. Accidental Damage Service can provide repair or replacement of your system for accidents up to 3 years, not otherwise covered by the Limited Hardware Warranty.²

1 - Onsite Service is not available on Chromebook or Venue tablets, except the Venue 11 Pro. Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty and not resolved remotely, technician and/or part will be dispatched, usually in 1 or 2 business days following completion of Remote Diagnosis. Onsite Service is provided by Dell Marketing L.P. Availability varies. Other conditions apply. For complete details about Onsite Service, see dell.com/servicecontracts

2 - For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682.

3 - Based on May 2015 Principled Technologies Test Report commissioned by Dell comparing Premium Support with Ltd. Hardware Warranty tech support troubleshooting for hard drive failure. Actual results will vary. Click here for full report.

4 - This service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customers may be required to return unit to Dell. Limit of 1 qualified incident per contract year. For complete details, visit www.dell.com/servicecontracts.

Important information

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Graphics & shared memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Wireless connectivity: Where wireless access is available. Additional access charges apply in some locations.

Weight: Weights vary depending on configuration and manufacturing variability.

Limited hardware warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

Dell ProSupport™: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.

Accidental Damage: Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.

Return for Repair after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware and not resolved remotely, this service offers a 10-14 day mail-in repair option following completion of Remote Diagnosis

Rapid Return for Repair after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue and multiple or extended sessions. If issue is covered by Limited Hardware Warranty www.dell.com/warranty and not resolved remotely, shipping instructions will be provided. Next Business Day shipping not available in all areas, which may delay repair and return times. Other conditions apply. For complete details about Rapid Return service, visit www.dell.com/servicecontracts

*EPEAT registration varies by country. Please see www.epeat.net for specific country registration and rating.

CAUTION: GEOGRAPHIC LIMITATIONS ON COMPARATIVE ADVERTISING

Comparative claims are not allowed in all countries. Please see below to learn which countries ban Dell vs. Dell claims, and which countries will allow the claims only if based upon independent third party testing. You may also contact Legal Counsel in the Region where the claim will be made for additional guidance.

3rd party testing required (Do not make claims) in: South Africa, Ukraine, Venezuela.
