Inspiron brand

Inspiron desktops and All-in-Ones are easy to use, easy to own, and keep you connected to everything that matter to you. They are designed to deliver exceptional value for today's consumers looking to get more out of life.

Easy – Regardless of price, consumers want a product that is easy to set up and ready to use once it is out of the box. They want to create and share content between devices regardless of operating system or form factor with ease. Dell products are designed to make that happen with the latest technology, a range of hard drive storage and memory options, sharp high resolution displays that can be viewed at any angle, firm keyboards that are easy to type on for hours and a complete audio solution that includes headphones, external speakers, and unique software options.

Purposeful Innovation – Dell strives to help its customers interact with what matters most to them. Innovative technologies help people to get more out of life, and should meet the needs of today and tomorrow. Lags, delays and buffering become a thing of the past. The latest processors and graphics zip through video edits. Brilliant displays provide crisp, honest representation of your content. Specially tuned audio provides immersive sound. Wireless connects quickly and stays connected. Purposeful innovation makes all of this more fun, especially when it's so seamless.

Inspiron 24 3000 Series All-in-One

Feature overview

A perfect fit for everyone in your home.

With easy set up and a stunning 23.8" Full HD wide-angle display, the new Inspiron 24 3000 Series All-in-One desktop is the perfect fit for the whole family.

Big screen actions. Family-sized value.

The brand new Inspiron 24 3000 Series AIO desktop is made to match any family's needs and budget. Combining a 23.8" Full HD wide-viewing angle display, responsive performance of a PC with built-in speakers, and an attractively thin design into one easy to use all-in-one PC make this a smart buy for the family.

Take your movies and games to a whole new level with this All-in-One desktop featuring the latest Intel® processor up to Core i5, DDR4 memory and optional 2GB of discrete graphics. It's engineered for uncompromising graphics and rock solid performance that improve how you work, play and relax, ALL at an unbeatable value.

With an expansive 23.8" Full HD wide-viewing-angle display, everyone can join in to watch, learn, and enjoy family time together. Choose the edge-to-edge touch screen option for a more interactive and intuitive experience especially with Windows 10.

Connecting with family and friends has never been easier. The Inspiron 24 AIO comes with a widescreen HD webcam and built-in stereo speakers tuned with Waves MaxxAudio® Pro audio enhancing software. And with the large 23.8" screen, Skyping and video chatting with family and friends gets more engaging and lively.

The Inspiron 24 AIO is designed to be ready to use right out of the box. The pop up easel stand with one-cord set up allows quick and easy set up in any room for anyone at any age, so you can start having fun with technology right away.

With a panel at just 38.2mm thin and a black or white design with matching keyboard and mouse, this AIO stylishly fits any décor in your living room or home office.

It comes with plenty of storage with an up to 1TB hard drive and an optional optical disk drive, giving you plenty of space to store the whole family's movies, memories, school projects and more while still providing a consistently smooth, lag-free performance.

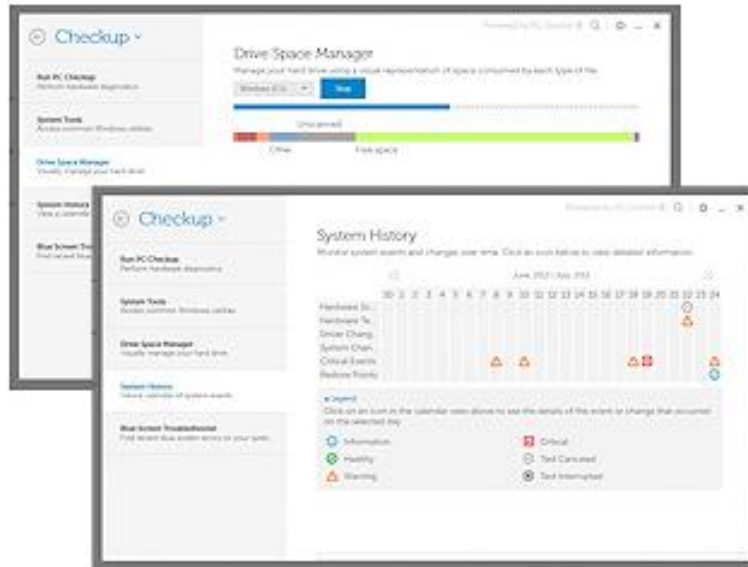

The Inspiron 24 is outfitted with faster and longer-range 802.11ac wireless technology, so you can stream music and movies quickly and securely. And with multiple USB 2.0 and 3.0 ports, HDMI option, 4-in-1 MCR and Ethernet capabilities, your Inspiron 24 AIO is seamlessly connected with other devices.

Services for Inspiron

Dell has services to help with any technology need throughout the life of your Inspiron. Our mission is to be the technology services provider you trust to keep you connected and productive so you can focus on doing more.

Consumer services

America's Best Standard Support (US only)

Enjoy more. Worry Less. Every Inspiron computer comes with 90-day Premium Phone Service and 1-year In-Home Service after Remote Diagnosis*. It's America's Best Standard Support.

Basic Limited Hardware Warranty

Rest easy knowing your Inspiron is covered by Dell's Limited Hardware Warranty. This warranty covers defects in materials or workmanship of your system for 1 year with options to increase duration of coverage up to 4 years.

In Home Service After Remote Diagnosis*

Enables you to have a technician and/or part dispatched to your home following remote diagnosis if the issue is covered by Dell's Limited Hardware Warranty**

*In-Home Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty and not resolved remotely, technician and/or part will be dispatched, usually in 1 or 2 business days following completion of Remote Diagnosis. Availability varies. Other conditions apply. For complete details about In-Home Service, visit www.dell.com/servicecontracts.

**Limited Hardware Warranty: For a copy of the Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty

Premium Phone Support and ProSupport for Consumers

You'll get around the clock end-to-end technology help for the life of your contract. From setting up your new Inspiron and connected devices to "how-to" support for operating system and common software applications. In addition, our technology experts can also assist with anti-virus setup, data transfer, data backup and wireless network device setup. Depending on your preference, our agents can walk you through the steps or in some cases do it for you.

Accidental Damage Service* – Spills and drops happen. For those instances where your laptop has been exposed to unintentional damage caused by liquid spills, electrical surges, or drops, Dell Accidental Damage Service* offers you peace of mind. This optional repair or replacement program enhances support for laptops that is not included in your limited hardware warranty.*
