

Designed for your space, empowered for your life

Dell All-in-One 24 | **EC24260**

From everyday tasks to immersive entertainment, the Dell All-in-One delivers reliable performance without the clutter. It fits effortlessly into your life, transforming any space into a hub for productivity. Designed for the needs of individuals, families, hobbyists, and small businesses, this PC features next-gen AI that adapts to you, helping you work, learn, and unwind—all with technology that looks as good as it performs.

Modern Design, Simplified Experience.

Fits seamlessly into any home or office with a space-saving chassis and Modern Light Ash aesthetic.

Enjoy flexible placement with VESA mount compatibility and a convenient selection of ports, including HDMI-in.

Built with sustainable materials, earning EPEAT Silver and Energy Star 9 ratings.

Immersive Entertainment and Collaboration.

Experience sharp, vibrant visuals on a 24" FHD or 27" QHD display with ComfortView Plus to reduce blue light.

Hear every detail with tuned stereo speakers featuring Smart Amp and immersive Dolby Atmos sound.

Look your best on video calls with an up to 8MP IR camera for crystal-clear visuals.

AI-Powered Productivity

Get more done with Copilot+ and on-device AI features that speed up everyday tasks without draining the battery.

Ensure clear communication with IntelliGo AI that enhances microphone performance.

Experience faster, more secure logins with user detection technology.

Performance for Everyday Needs

Handle multitasking, light creative work, and casual gaming with up to Intel® Core™ Ultra 7 series processors.

Run demanding applications smoothly with up to 32GB of DDR5 memory.

Enjoy reliable graphics performance for streaming, editing, and daily tasks with integrated Intel Graphics.

Seamless Connectivity

Connect your devices with a full range of ports, including USB-C, USB-A, HDMI-in, HDMI-out, and an RJ-45 jack.

Use your All-in-One as a second monitor for another device with the dedicated HDMI-in port.

Select 27" QHD models include USB-C with DisplayPort Alt-mode for even greater versatility.

Trusted Security and Support

Protect your privacy and data with a built-in camera shutter and TPM 2.0s. Keep your device firmly secured with a lock slot on select models, offering reliable physical protection in busy offices, classrooms, or public setups.

Stay ahead of interruptions with AI-powered ProSupport that predicts issues before they slow you down.

Important details

Memory: Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Wi-Fi 7 Wi-Fi 7 certified products will roll out in accordance with the Wi-Fi Alliance certification schedule throughout 2024. Wi-Fi 7 requires the latest Wi-Fi Alliance certification, Windows HLK certified device driver, hardware update, supported Windows OS version and compatible router. Wi-Fi 7 connectivity with Windows 11 is limited and will leverage prior generation of Wi-Fi until drivers are available and hardware adoption increases. Ubuntu OS will not support Wi-Fi 7 and will operate on WiFi 6/6E speeds when configured for Wi-Fi 7. Router requires a separate purchase. Wi-Fi 7 connectivity is only available in select locations <https://www.wi-fi.org/countries-enabling-wi-fi-in-6-ghz-wi-fi-6e>. Check availability with your service provider. The Bluetooth wireless card version may vary depending on the operating system that is installed on your computer.

The **Bluetooth wireless version** may vary depending on the operating system that is installed on your computer.

Weights vary depending on configuration and manufacturing variability.

AI: AI features may require software purchase, subscription or enablement by a software or platform provider, or may have specific configuration or compatibility requirements. Details at www.intel.com/aipc.

EPEAT and Climate+ Based on internal analysis, September 2025. Based on EPEAT Climate + Designations. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

ENERGY STAR: Based on internal analysis, September 2025.
