

Dell 24 Gaming Monitor S2417DG

Unrivalled gameplay with incredibly crisp images

Uncompromised gaming performance

Make all the right moves with the unique advantage this 23.8" monitor gives you.

- Experience sharp, undistorted moving images with NVIDIA G-SYNC™ and the fastest refresh rate at 165 Hz.
- Enjoy incredibly swift and responsive action with minimum input lag at an extremely rapid 1 ms panel response time.
- Dive into the details of stunning QHD (2560 x 1440) resolution — close to two times more details than Full HD.

Enhance your game play

Take gaming to the next level with these actions.

- Enjoy a seamless, panoramic view when you place multiple thin-bezel S2417DG monitors side by side.
- Use optimal preset modes tailored to suit your gaming genre to enhance your visual experience.
- Play in a new dimension of realism when you view 3D games with the optional NVIDIA 3D glasses.

Comfortable gameplay and convenient access

Game non-stop — your way — comfortably and conveniently.

- With tilt, pivot, swivel and height adjustable features find your ideal viewing position and game for long hours comfortably.
- Optimise eye comfort with a flicker-free screen.
- Conveniently switch play to a secondary gaming console via HDMI 1.4.

Minimise gaming downtime

Comes with Dell's high reliability promise.

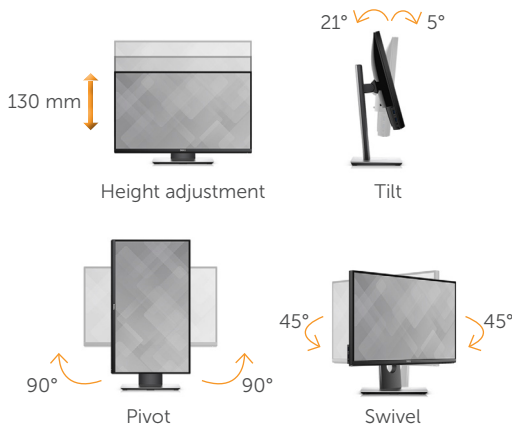

- Minimise downtime with Dell's 3-year Advanced Exchange Service¹.
- Upgrade to 24x7 phone support and Advanced Exchange Service with optional Dell ProSupport⁴.
- Enjoy great reliability from the #1 monitor brand worldwide.*
