Dell 24 Plus Monitor

MODEL: S2425HSM

The world's # 1 monitor company*

*Source: IDC Worldwide Quarterly PC Monitor Tracker, Q1 2025. CLM-005299

Enjoy crisp and smooth visuals with this 23.8-inch FHD monitor featuring a 144 Hz refresh rate and built-in speakers.

Elevated entertainment

Enjoy your favorite shows with smooth visuals and built-in speakers in Full HD resolution and a 1500:1 contrast ratio, delivering vibrant detail and remarkable depth.

Experience unmatched speed and precision in every frame with a 144 Hz refresh rate, AMD FreeSync™, and 1ms Moving Picture Response Time (MPRT), ensuring seamless performance whether you're enjoying casual gaming, streaming, or simply unwinding.

Built-in acoustic excellence

Immerse yourself in sound with integrated dual 3W speakers delivering a wider range of frequencies. Whether you're watching a movie or enjoying music, you can fine-tune your experience with five preset sound profiles or create your own for personalized, dynamic audio that suits every moment.

All-day comfort

Prioritize visual comfort with this 4-star TÜV-certified display. Reduce harmful blue light emissions while maintaining stunning image quality without compromising colors.

Additionally, you can customize your viewing experience by tilting, swiveling, pivoting, or adjusting the monitor's height for all-day comfort.

**Smooth visuals**

Full HD resolution and 1500:1 contrast ratio bring astounding depth and vivid detail, while a 144 Hz refresh rate, AMD FreeSync™, and 1ms Moving Picture Response Time (MPRT) deliver a smooth, tear-free viewing experience.

**Audio re-engineered**

Experience tailored audio perfection with integrated dual 3W speakers delivering a wider range of frequencies, and five preset sound profiles.

**Designed for comfort**

Customize your viewing experience by tilting, swiveling, pivoting, or adjusting the monitor's height.

**Eye comfort**

This monitor is 4-star TÜV-certified display. Reduce harmful blue light emissions while maintaining stunning image quality without compromising colors.

World's number 1 monitor company*

We deliver world-class monitors that have gone through rigorous development processes and stringent tests to ensure dependable performance. Get peace of mind with unmatched warranty and support options. Being environmentally forward in thinking, our monitors adhere to environment standards and are made with sustainable materials.

Smart design. Effortless experience.

Easy-to-use

Navigate the onscreen menu and adjust settings with a convenient joystick control.

Comfort from every angle

Tilt, swivel, pivot and adjust the height (up to 110mm) of your monitor for all-day comfort.

Dell Display and Peripheral Manager

Easy Arrange¹ tiles apps across screens with pre-set partitions and customizes up to five windows, enhancing multitasking. Easy Arrange Memory saves and restores app profiles manually, on schedule, or at start-up.

¹ Requires Dell Display and Peripheral Manager software installation. Screen image simulated for illustrative purposes only. Monitor model varies.

Made for you, sustainably

Intentional design in every part

At the heart of our design is a commitment to sustainability. That's why our monitor helps reduce waste with a design made from recycled materials like up to 95% post-consumer recycled plastic, 100% recycled aluminum, 50% recycled steel, and up to 20% recycled glass.¹

Environmental standards

This monitor is certified ENERGY STAR®, meaning it has met high standards for energy efficiency.

Seamlessly modernize your tech

We can help you responsibly and securely retire your legacy IT equipment, regardless of brand, while addressing your sustainability goals.

Packaging with purpose

This monitor ships in a box made from 100% renewable materials. We are reducing plastic waste wherever possible and transitioning to a responsible fiber-based solution.²

¹ Based on internal analysis, June 2025. Up to 95% recycled plastic, 100% recycled aluminum in the stand, 50% recycled steel in the chassis, and at least 20% recycled glass in the panel. Applies to monitors: S2425HSM, S2725HSM, S2725DSM, S2725DC.

² Applies to all Dell monitors launched since 2023. Made from FSC mix sources which is a mix of material from FSC certified forests, recycled content and/or FSC controlled wood. Based on internal analysis, January 2025. Cushions now made from corrugated materials.
