

Brilliant color and clarity for your best work.

DELL ULTRASHARP 32 4K USB-C MONITOR | U3219Q

VESA CERTIFIED
DisplayHDR™ 400

AMAZING VISUALS

Experience incredible details and stunning color on the world's first 31.5" 4K Ultra HD monitor with VESA certified DisplayHDR™ 400.*

MULTITASKING EFFICIENCY

USB-C connectivity keeps your desk clutter-free, while multitasking features help boost productivity.

COMFORT FOR PRODUCTIVITY

Work comfortably and more productively with a fully adjustable setup, InfinityEdge and ComfortView.

TRUSTED RELIABILITY

Dell monitors — World's number 1 monitor brand.¹ Enjoy peace of mind with Dell Premium Panel Exchange, 3 year Advanced Exchange Service² and optional ProSupport.³

World's first 31.5" 4K UHD monitor with VESA certified DisplayHDR™ 400*

AMAZING VISUALS

See more: Capture every detail with 4K (3840x2160) resolution on a 31.5-inch screen. That's 4 times more details than Full HD, so you see more content on the screen.

Visually stunning: View HDR content as they were intended on the world's first 31.5" 4K Ultra HD monitor with VESA certified DisplayHDR™ 400* featuring HDR content playback support.

Impressive color and details: See realistic colors—from the brightest whites to the deepest darks—with a peak brightness of 400 nits, an impressive color depth of 1.07 billion colors and a high contrast ratio.

Color consistency comes standard: Get precise colors right out of the box with factory calibrated 99% sRGB coverage to an accuracy of $\Delta E \leq 2$. And, with 95% DCI-P3 and 99% Rec. 709 color coverage, you can trust that your videos reflect lifelike color.

MULTITASKING EFFICIENCY

One cable. Many uses: Declutter your desk with the included USB-C cable. This single cable solution delivers up to 90W⁴ of power, charging your device, while transmitting data, video and audio at the same time.

Multitask efficiently: Picture-In-Picture (PIP) and Picture-By-Picture (PBP) features make it easy for you to view content from two different computer sources simultaneously.

Simple manageability: Toggle between applications and work on the content from 2 PCs using only one keyboard and mouse with the convenient Keyboard, Video and Mouse (KVM) feature.

More ways to work: Conveniently select from predefined templates with the Easy Arrange feature on Dell Display Manager software. Quickly tile and arrange your applications and get back to work faster with Auto-restore, a feature that remembers where you left off.

COMFORT FOR PRODUCTIVITY

Virtually borderless: With Dell InfinityEdge, you can enjoy an expansive edge-to-edge viewing experience.

Adjust to your comfort: Pivot, tilt, swivel and adjust the height of your monitor for a comfortable setup all day long. Or choose from a variety of mounts and stands, including VESA, for even more flexibility.

Easy on the eyes: This TÜV Certified⁵ monitor has a flicker-free screen with ComfortView, a feature that reduces harmful blue light emissions. It's designed to optimize eye comfort even over extended viewing sessions.

DELL
MONITORS
– WORLD'S
NUMBER 1
MONITOR
BRAND¹

Peace of mind: Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty⁶ period even if only one bright pixel is found.

Minimize downtime: Your monitor comes with a 3-year Advanced Exchange Service² so that if a replacement becomes necessary, it will be shipped to you the next business day during your 3-year Limited Hardware Warranty.⁶

Get a higher level of support: Upgrade to 24x7, in-region technical phone support from qualified engineers with Dell ProSupport option.³
