DELL

LATITUDE 5401 | 5501 LAPTOPS

Redesigned and ready for high performance business

WORLD'S SMALLEST MAINSTREAM BUSINESS NOTEBOOKS IN THEIR CLASS+

Our most scalable notebooks are now significantly smaller, incorporate a more modern design, and feature a lighter finish that hides and minimizes fingerprints. Experience expansive viewing with a 4-sided narrow border display and unfettered viewing with the anti-glare display option. The innovative 5401 leads in sustainable design, crafted from 17% post-industrial carbon fiber reinforced polymer. Our 5501 has an aluminum option.

FASTER TO WORK, FASTER TO CHARGE

Get to work faster with the fingerprint reader now integrated on the power button or use the IR camera plus Windows Hello for seamless authentication. Modern standby runs in the background to resume work sooner. ExpressCharge can quickly charge your PC up to 80% in just one hour.

SCALABLE, FASTER PERFORMANCE

Increase productivity, manageability, and security with the latest 9th Generation Intel® up to i7 6-Core™ vPro processors. Get all the scalability including up to 32GB DDR4 memory operable at up to 2666MHz, up to 1TB PCIe SSD, and up to 68Whr battery to provide flexibility for different business needs. A powerful discrete graphics option helps ensure video conferencing and media streaming are seamless. Dell exclusive Waves MaxxAudio Pro takes conferencing to the next level, enhancing both listening and speaking for a best-in-class experience.

AN INTELLIGENT APPROACH TO MANAGEMENT

Dell provides the ultimate convenience of managing Windows 10 endpoints from one console with Dell Client Command Suite and VMware® Workspace ONE™ integration. Offering many ways to seamlessly sign on, SafeID protects end user credentials with optional fingerprint reader on the power button and the FIPS 201 Smart Card Reader - delivering fast, multi-factor authentication from the world's most secure PC portfolio. In addition, Dell unique vPro extensions can remotely manage and run diagnostics on a fleet of devices, whether they are powered on or off.

Recommended Accessories

ON-THE-GO

DELL USB-C MOBILE ADAPTER | DA300

Connect your Latitude to almost any device with a convenient 6-in-1 compact adapter.

DELL PRO BRIEFCASE 14 /15 | PO1420C/PO1520C

With EVA foam cushioning the laptop vault of this dependable briefcase, you can securely protect your devices and other office essentials.

DELL NOTEBOOK POWER BANK PLUS (18,000 MAH) | PW7015L

This lightweight and compact powerbank will keep your laptop or cellphone powered on-the-go without adding bulk to your bag.

DELL WIRELESS MOUSE | WM326

Tidy up the cable clutter at your mobile workspace with this mouse. With up to 18 months of battery life, you can also enjoy reliable wireless performance, no matter where you are.

AT THE DESK

DELL THUNDERBOLT DOCK | WD19TB

Work at full speed with Dell's powerful Thunderbolt Dock. Charge your system faster, support up to three 4K displays and connect to your peripherals via a single cable.

DELL ULTRASHARP 24 MONITOR | U2419H

Experience superb screen performance on this FHD monitor with a virtually borderless InfinityEdge, packaged in a sleek, space saving design.

DELL WIRELESS KEYBOARD AND MOUSE COMBO | KM714

Give your workspace a modern and clean appearance with a stylish wireless keyboard and mouse that perfectly complements your PC.

DELL DUAL MONITOR STAND | MDS19

This space-saving stand, mounts up to two 27-inch monitors, providing the screen real estate you need to be most productive.

DELL PRO STEREO HEADSET | UC350

Hear every word clearly on your next call with the Dell Pro Stereo Headset, optimized to provide in-person call quality.

Built for business

Dell Technologies Unified Workspace

Dell Technologies Unified Workspace is the most comprehensive solution to deploy, secure, manage and support virtually all devices from the cloud. We designed this revolutionary solution with intelligence and automation providing visibility across the entire endpoint environment. We help save time, improve user experience, optimize resources and strengthen security.

DEPLOY

Our modern deployment solution, ProDeploy in the Unified Workspace allows you to revolutionize the way deployment gets done. By spending just one hour for set up, IT can then hand deployment to Dell and have preconfigured systems shipped directly to the end users - wherever they are.

SECURE

Dell Endpoint Security for the Unified Workspace helps manage growing cyber risks while embracing workforce transformation. With Dell SafeGuard and Response powered by Secureworks, gain actionable insight to help quickly and efficiently prevent, detect and respond to cyber-attacks-keeping your environment free from harm.

MANAGE

We integrated our hardware management solution Dell Client Command Suite with VMware Workspace ONE, allowing you to take advantage of unified endpoint management (UEM) and manage the firmware, operating system and applications for all devices from the Workspace ONE console. UEM simplifies the management of the entire environment saving IT time from having to work between separate consoles for PCs and phones.

SUPPORT

ProSupport Plus continues to be the only predictive and proactive support in the market. When compared to key competitors, ProSupport Plus with SupportAssist reduced time to resolve a failed hard drive with up to 11x faster time to resolution.

*Based on a Principled Technologies test report, "Spend Less Time and Effort Troubleshooting Laptop Hardware Failures" dated April 2018. Testing ommissioned by Dell, conducted in the United States. Actual results will vary. Full report: http://facts.pt/L52XKM
