

TM-U590

ESC/POS®

Conforms to OLE POS specifications.

Slip Printer

High performance and multifunction. The TM-U590 is the ideal slip printer for versatile slip / check / invoice applications.

Loaded with functions that enable printing on variety of slips, the TM-U590 is the best printer for hotel, bank, and restaurant applications. Print original slips and up to four copies. Insert slips smoothly, and remove them easily in the event of a paper jam. And insert even large slips straight as an arrow with the extended table that comes standard with each TM-U590.

Slip Printer **TM-U590**

Original A4 Slip Capability for Versatile Applications

Prints slips up to 88 columns (using 7 x 9 fonts/half dots). Because the TM-U590 supports a wide range of sales slip, check, and invoice applications thanks to the ability to handle an original and up to four copies, it is especially suited to hotel, bank and restaurant applications.

User friendly

The TM-U590 is designed with paper handling in mind. Not only is paper easy to load, but paper jams can be removed smoothly and easily. In addition, with the standard extension table, even large slips load and feed smoothly.

Fast Printing, 311 CPS

The TM-U590 offers a printing speed of 311 characters per second by using bi-directional, logic seeking printing. Quick issuance is the important customer service.

Superb Reliability

EPSON's world-renowned quality and reliability are reflected in every component and mechanism of the TM-U590, ensuring products unsurpassed in performance and dependability.
