

HP Slimline Desktop 290-p0011nc

Reliable desktop PC with generous storage

Surprisingly slimmed down, this space-saving desktop could just as easily fit on your desk as under it. With powerful hardware, reliable performance, and generous storage, your everyday computing is something to get excited about.

Elevated everyday performance
Multi-task efficiently and manage all your day-to-day demands with the latest Intel® processor.¹

Designed to fit in or stand out
Whether you show off your tower or tuck it away, the HP Slim Desktop PC was designed to blend in without dominating your space, thanks to a sleek design and microdot pattern.

Connect and store it all
With tons of ports, dual-monitor support, and ample storage, this desktop is ready to stream your favorite shows, store all of your photos, and connect with anything you're into.

HP Slimline Desktop 290-p0011nc

Featuring

Windows 10

Do great things confidently with the familiar feel of Windows - only better.

8th Generation Intel® Core™ processor

Upgrade performance with smooth system responsiveness and fast load times for an exceptional PC experience. Supporting resolution up to stunning 4K, stream premium content or even create your own.

802.11 a/c (1x1) WLAN & Bluetooth® 4.2

Stay connected to Wi-Fi and to Bluetooth® accessories with wireless technology.

Re-writable DVD drive

Watch and write DVDs using the integrated optical drive.

DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Hard drive storage

Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.

Windows 10

Do great things confidently with the familiar feel of Windows - only better.¹⁸

Dual display support

Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

5.1 Surround Sound output

With all the necessary ports for true 5.1 surround sound, give your favorite movies, shows, or music more nuanced, immersive sound quality, just by hooking up a Surround Sound speaker setup.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. 4K content required to view full 4K images. System loading time and responsiveness dependent upon product configuration.

³ Wireless access point and Internet service required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the laptop to communicate with other 802.11ac WLAN devices. Bluetooth® is a trademark owned by its proprietor and used by HP Inc. under license.

⁴ Actual speeds may vary. Don't copy copyright-protected materials.
