

ideapad 530S

UNEXPECTED POWER & STYLE

Meet the Lenovo™ IdeaPad™ 530S. You'll be surprised by the processing power we packed into this stylishly sleek notebook. Premium entertainment options and long battery life are just the beginning in a rich menu of features designed to make your life easier. The IdeaPad 530S: It's unexpected.

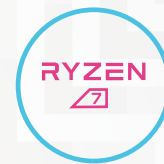

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 530S

Sleek portability

The IdeaPad 530S is effortlessly portable, starting at just 16.4 mm and 1.49 kg. And with its polished aluminum finish and multiple color options, you'll make a statement wherever you go. Available in Onyx Black, Copper, Liquid Blue and Mineral Grey.

Power of Ryzen™

Over 4 years and 2 million hours of engineering went into the development of the latest AMD Ryzen™ processors. We combine that with the world's most anticipated Graphics engines to create the AMD Ryzen™ Accelerated Processing Unit. Whether you're working or playing, you'll experience optimized power, performance and speed.

Charge and go

We know you've got stuff to do—who wants to be chained to an outlet? The IdeaPad 530S not only boasts up to 8 hours of battery life, it also offers Rapid Charge: 15 minutes plugged-in will give you up to 2 hours of battery use*. Charge up quickly, and get back to your day.

Powerful entertainment

Immerse yourself in vibrant detail, color, and clarity with a 14" FHD display. Razor-thin bezels and 250 nits brightness deliver a powerful visual experience.

* Charged in power-off mode, using 65W power supply.

¹ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bpccom/products/mobilemark-2014/> for additional details.

LENOVO SERVICES

Warranty Upgrades - On-site/ In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
